About the Workshop

A rise of New India is essential not just for India but for the world, and this can come through only when we can build up a self-reliant nation said the Hon'ble Prime Minister Shri. Narendra Modi, while announcing the ‘Atmanirbhar Bharat Abhiyan’ (Self-reliant India Movement). With a motive to transform the Indian agriculture into a career opportunity of agriculture professional has taken a host of historical pro-agriculture landmark initiatives towards the development of 'Aatmanirbhar Krishi'. Keeping in view this online-workshop conducted in three days has been envisioned to sensitize the agriculture professional to make self career opportunity in agriculture.
