## Road map to College of Agriculture, CAU, Imphal

### ABOUT THE WORKSHOP

The workshop aims at creating awareness about opportunities in food processing entrepreneurship development and export promotion of potential agri-horticultural crops from NER with special reference to Manipur. It intends to spread awareness among entrepreneurs, farmers, exporters and other stakeholders about processing & value addition technologies, policies, schemes, financial support, food safety standard and regulatory guidelines, production dynamics, cluster development and aggregation issues related to production and export of primary and processed agricultural food products from NER specifically Manipur. Thus the workshop will be beneficial to the stakeholders for updating their knowledge on production, processing and export promotion.
