

## Weekly activities of the IDP- NAHEP under Central Agricultural University, Imphal (15<sup>th</sup> to 21<sup>th</sup> October, 2021)

- On 20<sup>th</sup> October 2021, College of Veterinary Sciences & Animal husbandry, Selesih, Aizawl conducted an online language class on the topic ‘**English Phonetics**’ for 1st year BVSc & AH students at 1:00 pm using Google Classroom as the platform. The total number of attendees recorded was 28. The main focus of the topic was the phonetics of English Consonants. The phonetic inventory of English consonant was explained, along with the place of articulation. Understanding phonetics is important for pronunciation, how to produce the sound, how to move the articulatory tract in order to produce certain sounds of a language.
